## RTG MeInBio – BioInMe Talk

*Exploration of spatio-temporal dynamics of gene regulation using high-throughput and high-resolution methods*

Wednesday, December 20<sup>th</sup> 2017, 17:15h

**Hans A. Kestler**

Medical Systems Biology  
Ulm University

## Boolean networks for modeling biological signaling processes

Institute of Biology II/III, Schänzlestr. 1  
Room 43, ground floor

MeInBio PhD students will offer  
mulled wine and snacks\*  
\*at low cost
